PROFESSIONAL SUMMARY

Motivated Computer Science student with hands-on experience in C++, Object-Oriented Programming, and competitive programming, now expanding into Python and applied Data Science & AI through DEPI and GCI (University of Tokyo). Completed ICPC Zagazig University Level 0 training and the InnovEgypt entrepreneurship program (ITIDA/TIEC). Passionate about problem-solving, algorithmic thinking, and building innovative software solutions.

TECHNICAL SKILLS

- C++ (Intermediate) — core data structures, algorithms, STL
- Object-Oriented Programming (OOP) — encapsulation, inheritance, polymorphism, abstraction
- Competitive Programming — ICPC-style problem solving, time & space complexity analysis
- Problem Solving — logical decomposition, pattern recognition, algorithmic design
- Python (Learning) — data analysis and scripting fundamentals

EXTRACURRICULAR ACTIVITIES & TRAINING

ICPC Level 0 — Certificate of Completion | ICPC Zagazig University Community Jan 2026

- Trained in foundational algorithms — sorting, searching, recursion, greedy methods, and brute-force design
- Solved competitive programming problems in C++ under strict time and memory constraints
- Active member, ICPC Zagazig University Community — certified by Zeyad Zahran, Community Leader

InnovEgypt — Certificate of Acknowledgement | ITIDA / TIEC 2026

- Built and pitched a startup MVP concept addressing a real-world problem, from idea to business model
- Program sponsored by the Information Technology Industry Development Agency (ITIDA) and TIEC
- Certificate ID: C0537W26T0225 — signed by Dr. Dalia Gamal, Innovation Support Dept. Manager

GCI — Data Science & AI, University of Tokyo

- Completed an intensive Data Science & AI training program at the University of Tokyo — certificate pending issuance

DEPI — AI & Data Science Trainee | Digital Egypt Pioneers Initiative In Progress — Exp. Jan/Feb 2027

- Training on the AI & Data Science track, building applied machine-learning and data-analysis skills through hands-on projects

Kanz AI — Certificate of Course Participation | LAU Academy of Continuing Education & Saudi MHRSD

Jul 2026

- Completed the AI Training Hackathon and built an original AI-powered working project — Certificate ID: KANZ-ATT-8DF380A617

Guinness World Records™ — Event Participant | Kanz & Saudi Ministry of Human Resources and Social Development Jul 2026

- One of 14,075 participants in a Guinness World Records™ event for the most users in an AI video lesson

EDUCATION

Bachelor of Computer Science | Zagazig University Expected 2028

- Faculty of Computers & Informatics (or relevant faculty)
- Active member of ICPC Zagazig University Community
